Mr G. Skeoch
Principals Report (Relieving)

- I would like to welcome all of our families back for the 2013 school year.
- Our numbers for 2013 are about 800 students which allow us to maintain the staffing levels of last year. The school would like to welcome Ms Hollis a new permanent English teacher replacing Mr Vieira. Late last year the school was fortunate to appoint Mr Cueva to the TAS faculty. Mr Cueva comes to the school with excellent credentials from private industry and has already made a huge impact in the teaching of Metals and Engineering.
- I will remain as Principal, Ms Cass will remain as Relieving Deputy Principal and Ms O’Keefe will be the Relieving Head Teacher Support until the new Principal is determined sometime this term.
- Mrs Oxford is still unable to return to school on health grounds and I’m sure you would join me in sending her our best wishes for a full recovery and eventual return to Kingswood High School. Ms Simone McCullen will remain in the role as Relieving Deputy Principal supporting Years 8, 10 and 12 and Ms Brigid Mora will remain as Relieving Head Teacher Welfare.
- There were some very pleasing results from the Year 12 HSC 2012 with band 5s in a number of subjects. We wish all our graduates the best in their future.
- The school will be holding a Year 6 to 7 (2013) Parent evening on Wednesday 27th February starting at 6pm. It is hoped that all parents with Year 6 students can attend. The evening will include demonstrations by subject areas and a chance for parents to clarify any issues about high school. Mr Ben Fox will be the Year 7 (2014) Year Adviser.
- The Kingswood Learning Community (Kingswood High and its feeder primary schools) has set in place a series of joint activities for 2013 including environmental programs, sporting programs, a public speaking competition, Cooling Conflict training for students and a joint Middle School disco.
- Thank you to those who competed at the school swimming carnival. It was a very positive day with many students commenting on our Facebook page how much fun the day turned out to be. Congratulations to Gaya Dari the winning house and to the
Age Champions 12 years Shanice Fonokalafi, Luke Donoghue and Michael Joson, 13 years Jessie Fitzpatrick and Jarrod Burgess, 14 years Ashley Day and Jaydan Messina, 15 years Brooke Coleman and Long Fogg, 16 years Montana-Maree Ojeda and Joshua Paine-Bell, 17 years Taleah Gunther and Adam Tunley-Kemp.

- The term will pass very quickly and we remind our Year 12 and Year 11 students that they have **half yearly exams** commencing on 2\textsuperscript{nd} April through to Thursday 11\textsuperscript{th} April.

- The **Easter period** falls during school term this year with Good Friday occurring on Friday 29\textsuperscript{th} March and Easter Monday 1\textsuperscript{st} April, the school is not open on both of these days. **School holidays** commence Monday 15\textsuperscript{th} April with students returning Wednesday 1\textsuperscript{st} May. The school will be holding its ANZAC Day ceremony that morning.

- Please remember that the school uniform policy includes fully **enclosed lace up black leather shoes**. Black ballet shoes, canvas or synthetic mesh shoes are not allowed for Work Health and Safety reasons. As sport is integrated this rule applies to every day. Students must wear uniform every day and should bring a change of clothing and shoes (if required) to wear for sport and PE lessons.

- I would like to encourage all parents to support the school by **paying any compulsory subject fees** promptly. The school is not wealthy and due to rising utility (electricity, water, waste disposal) costs a significant strain has been placed on the schools finances. Many of our subjects have consumables (e.g. wood, metal, art supplies, chemicals etc.) and the subject fee is designed to cover those costs. Your assistance in paying those fees would further support your child’s education.

- We would appreciate continued parent and community help with surveillance. If you should happen to notice suspicious people / groups on the school site especially on weekends or evenings, could you please contact **school security on 1300 880 021 or St Marys police on 9677 5099**.

- A reminder that all the latest school information is placed on the school Web site [www.kingswoodhigh.nsw.edu.au](http://www.kingswoodhigh.nsw.edu.au) and the Kingswood High School – Official Facebook page.

---

**STAFF CAR PARK**

Parents are reminded that the school car park is for staff only. Please drop off and pick up your children in Smith Street or in front of the school on Bringelly Road. Parents are not to drive into or drop off students in the school bus bay. The police have booked parents who have illegally parked. Thankyou for your cooperation.
It’s great to be back to the start of another year. I have been very impressed with the students in their full school uniforms and that is a credit to the parents for supporting our uniform policy, so thank you very much.

I would like to thank the Year Adviser’s and office staff for the hard work that they have been doing over the last three weeks. It is a very busy time for them, organising and enrolling and assisting new and current students. They are a dedicated group of people and our school appreciates the effort that they put into their work. I would also like to thank Mrs Mora the relieving Head Teacher Welfare for her tireless approach towards all of the Welfare programs that many of our students have already taken part in this year.

Year 12 are on the last lap of their schooling. They have only three terms to go and the Board of Studies requirements are quite strict as to what is needed from the students to ensure they achieve. Please look at the Board of Studies website on the Internet or ask your child for a copy of their Assessment Booklet for the rules and regulations. Year 12 will be monitored closely to enable them to achieve the best from their schooling.

Year 10 have a lot of work ahead of them for their ROSA and will need to focus on their work and assignments to ensure that they satisfy Board of Studies requirements. If as a parent you have any concerns could you please contact me straight away, I will also be contacting you if I have concerns. We are in partnership to achieve the best possible outcomes for your child.

Year 8 must start to focus their minds and workloads on achieving the very best results that they can. An effective HSC result is achieved through the hard work that the student puts in during the junior grades. The building of skills is essential and this only happens with consistent application to class work and home assignments. If you, as a parent have worries about the lack of home assignments please contact me or contact the Head Teacher of that particular subject area.

We as a school community have focused on three (3) of the nine (9) core values:

- **Respect** - Show respect at all times for staff, fellow students and visitors. Follow school rules, speak courteously and cooperate during all school activities.
- **Responsibility** – Behave safely, considerable and responsibly at school and when travelling to and from school. Accept responsibility for your own actions.
- **Participation** – Attend school every day, unless you are legally excused. Be in class on time and prepared to learn.
Many of our students uphold these values with pride and these students will also be invited to our rewards excursion to the Camden show for their positive approach towards all areas of their school life.

THE NEXT P&C MEETING WILL BE HELD ON WEDNESDAY 13th March 2013 AT 6.30 PM IN THE LIBRARY. WE LOOK FORWARD TO SEEING AS MANY PARENTS AS POSSIBLE.

Ms F. Casettari
Deputy Principal (Relieving) 7, 9 & 11

Welcome back to Kingswood High School to all our students and families. I extend a very special and warm welcome to the ‘new families’ whose students have recently enrolled.

Year 11
Students have commenced their preliminary HSC courses. Year 11 appear to be settling in to the senior school reasonably well. Most students seem quite focussed and ready for the challenges of senior school. Attendance at all timetabled periods and productive use of study periods is essential to ensure academic success. For some the expectations of senior school can prove to be a stressful experience and students are encouraged to speak with teachers about any concerns that they may have about assessment tasks, content misunderstanding and study or examination tips.

Mrs Reed, Year 11 Adviser, and Mr Rance, Careers Adviser, have been busy eagerly helping students with subject changes and questions. Please see them if you have any questions or concerns.

Signing in and out - Please remember that senior students
- must sign in everyday at the Library,
- must sign out and back in if they leave during their study periods,
- must sign out every day that they finish before 2.30pm
This will ensure the rolls are accurate and then we can account for every student on school grounds in the event of a fire or other WH&S incident.

Driving to and from School
Please remember that senior students must apply to drive to/from school and use the school car park. Applications can be collected from the Deputy Principal’s Office. Students will need to provide the school with a copy of their car insurance and drivers licence. Students who wish to be passengers must provide permission from their parents and the drivers’ parents.
Year 9
Students have also begun the year well and appear to be enjoying studying subjects that they have selected. Year 9 represents the beginning of the RoSA (Record of School Achievement) which replaces the School Certificate. This credential is an important stepping stone towards completing school and moving on to the world of work. Students are reminded that to obtain their RoSA they must complete all set work which includes class work, assignments and assessment tasks to the best of their ability. Students are also required to attend school regularly and go to all timetabled classes including sport and participate productively in all classes.

Your Year Adviser, Mr Creighton and Assistant Year Adviser, Mrs Green are valuable assets to your child’s education. Please contact them if you have any concerns about your child and their education.

Year 7
Lastly I would like to welcome Year 7 to Kingswood High School. I have been impressed with their courtesy and attentiveness particularly over the last week. Kingswood High School offers a range of opportunities which should appeal to the majority of students. I encourage all students to get fully involved in the life of the school; academic, sporting and community based activities will enrich your lives and give you a broad education.

Miss Watling (in Science) and Mrs Joseph (in English) are the Year 7 Adviser and Assistant Year Adviser respectively. They are doing a great job helping the year 7s settle into High School. Please contact them if you have concerns or questions about how your child is settling into high school.

General Information
Teachers at Kingswood High School have high expectations for all the young people at this school. I look forward to following their progress as they move through life on the way to adulthood.

All students should have been issued with an assessment schedule booklet; these are also freely available on the school website if the hard copy has been misplaced. The purchase of a diary would be a great way for students to avoid missing due dates for assessable tasks. Please encourage your children to get assessable tasks in on time. The school policy is that a zero mark will be recorded for any assessable tasks handed in without a valid reason. Doctor’s certificates are required for illness or other misadventures.

Staff Car Park
Just a quick reminder that parents are not permitted to enter the staff car park or the bus bay area. We have already had some near misses in both areas and need to ensure that our students are safe at all times. Parents picking up their children must do so from
Bringelly Road or Smith Street exits. Only DEC Assisted Transport providers may enter the car park. If you are unsure, please contact me to discuss your concerns.

Who should you contact?
The Front Office operates between 8am and 2.40pm so please call between these hours.
- **Year Adviser or Assistant Year Adviser** – for updates and/or concerns with your child’s progress or to advise them of any issues affecting your child’s education, including extended absences.
- **School Counsellor, Melinda or Joe** – for support for your child if they are having emotional difficulties or going through a difficult time.
- **Teachers** – with regards to your child’s progress in their subject and any questions of concerns about the specific class they teach.
- **Head Teachers** – to discuss specific subject issues or concerns.
  - English – Mr Turner
  - Mathematics – Mrs Srinath
  - HSIE – Mrs Martirena
  - TAS – Mr Szymkow
  - CAPA – Mr Johnston
  - PDHPE – Mr Lang
  - Science – Ms Sadler
  - Special Education/ Support – Ms O’Keefe
- **Careers Adviser, Mr Rance** – for information about work experience, patterns of study (years 10-12) or looking for employment.
- **Deputy Principal (DP)** – significant issues or for those families who are working with the DP on issues such as behaviour or attendance.

Bullying
Bullying is not tolerated at Kingswood High School. Please keep in mind that Bullying is defined as “**repeated** verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or a group towards one or more persons.”  KHS Anti-bullying plan 2011. The school cannot act on issues unless we are made aware of these. Please do not accept your child’s explanation that the teacher(s) did nothing about it. Issues must be reported when they occur. If your child is not happy with the response of the teacher encourage them to go to the Head Teacher, Head Teacher Welfare, Year adviser or Deputy Principal. The school will respond appropriately and effectively.

Please monitor your child’s activity on the internet. Unfortunately some of our students use this medium as a weapon to harm others. Remember, there is nothing private online – Google your own name or your child’s sometimes you will be surprised about what information comes up.
Enclosed Black Leather School Shoes
Thank you to the majority of parents who are assisting the school to ensure our young people are safe during practical periods through the wearing of enclosed plain black leather school shoes.

Students leaving school grounds
Please remember that all students should stay in school grounds unless:
- They are a senior and have returned their permission to leave the school form and swiped out and back in appropriately,
- They have an early leavers pass from the Head Teacher Admin – Mr Gillard.
Parents wishing to collect their children early or drop something off to them must go through the Front Office. This ensures the safety of our students.

A final Word:
A huge thank you to the students, parents and teachers for all their hard work so far. I hope it continues.

Take care,

Frances Casettari (Miss Cass)
Rel. Deputy Principal 7,9,11
Frances.cassettari@det.nsw.edu.au

P & C MEETING AGM
Wednesday 13th March
6.30pm in the Library
Late last year, on the 29th and 30th November, 48 Year 7 students and 5 teachers travelled to Western Plains Zoo in Dubbo to participate in a government funded program called Endanger Ranger. Students travelled by train to the zoo, where they participated in a number of activities which looked at threatened species and the role we can play in conservation and protection of these animals. Students were required to video different aspects in the zoo to turn into a promotional video to show other students about why these species were endangered and what could be done to protect them. Students camped out in tents at the zoo and got to go on a behind the scenes tour of the zoo at night-time where they were able to observe many of the nocturnal animals when they were most active.

Students were given an opportunity to get up close and personal with a koala, echidna, possums, a corn snake and a lizard, which was a fantastic opportunity. A special treat for students on this trip was feeding the Giraffes. On the Friday students were given pushbikes on which to have free time riding around the zoo visiting the animals. After time in the gift shop, lunch and Mrs Frost trying to get everyone still for a group photo it was back on the bus to Dubbo train station for the 6+ hour journey home. We were unfortunate in having some very hot weather on the Friday with the temperature reaching 44°C, however, the students were excellent. A great time was had by all and the teachers would like to thank all the students for being so well behaved.

*Mrs Frost, Mrs Green, Miss Tomic, Mr Taylor and Mr DeSilva*

*Supervising Teachers*
Year 12 Geography Urban Places Fieldtrip

On Friday the 15th February 2012 the Year 12 Geography class travelled to Sydney to study urban dynamics operating in a developed country. Students completed a case study on the suburb of Pyrmont where they examined the processes of urban decay, urban growth, urban consolidation and gentrification. This was an informative day with students enjoying a ferry trip on the harbour to see how the land use of the area has changed over time. Students also practiced a number of geographical skills on the day using topographic maps and photographs.

After looking like the day would be a wash out, the conditions were great for Kingswood’s annual Swimming Carnival. There was a fantastic turn out of students who were all dressed in their best supportive outfits for their houses, with Bohra easily stealing the show (I promise I’m not being biased)! The competitive and novelty events saw high levels of participation from the students, gaining valuable house points. In particular, there were more students swimming in the 100m freestyle than ever before! The house chant competition came down to a close finish, with Wyamba pitching their R & B style lyrics against the sheer power of the mighty Bohra and definitely came off second best (I already said that I wasn’t being biased, didn’t I)? It was a fantastic day overall, congratulations to all students, particularly those now looking to compete at the upcoming zone carnival. I’m sure that everyone is already looking forward to next year to see Mr Fox’s come back swim in the Ironman event!

House Points Total:

1st Gaya Dari – 571 Points
2nd Bohra – 511 Points
3rd Wyamba – 467 Points
4th Dinewan – 347 Points

Darren Lang
Kingswood High School P&C

We are pleased to announce that the P&C Committee at Kingswood High School was re-established last year to help with the construction of a café Training Centre. If you were not aware, our P&C Committee was awarded a $71 000 Community Partnership Grant from the NSW Government to build this facility on the school site.

Construction on the Café began at the beginning of Week 2 and should be completed by the end of March. A coffee machine was kindly donated by Sittano’s Bar and Restaurant in Penrith, which will be serviced and installed into the new facility. Funds were also raised through the hard work of students and teachers, generating coffee sales and catering functions at the school. In addition to this, Construction students, Brick and Block Laying Program students and teachers worked very hard late last year and are continuing this year to develop an outdoor area adjacent to the café. As you can imagine this venture is very exciting and will add tremendous value to our school and student learning outcomes.

On Wednesday 13th March this year the P&C Committee will be holding its annual general meeting where we will be declaring all executive positions vacant. We appreciate the current executive in their tremendous role of re-establishing the committee and ensuring we were ready to accept the funds from the NSW Government grant. All of us who form part of the current committee wish to invite all parents and community members to come and be part of the culture of Kingswood High School by becoming a member, attending meetings or simply spreading the word of the great work being done at this school and the fantastic opportunities available to students.

Additionally, we continually struggle to gain the funds necessary to purchase resources, and whilst this grant is significant, there is much more we would like to add, such as furnishings, furniture and landscaping. If you work in this industry, or know of a person, group or business that may be able to help out, please contact us. We would like to continue on our quest to become the best school in the area, renowned for generating great opportunity for all students for years to come.

B. Fox
KINGSWOOD High School is investing in the future of Penrith’s hospitality industry with a new on-site cafe training centre.

Penrith state Liberal MP Stuart Ayres announced funding for the project worth $71,000 on Monday.

The grant is from the NSW Community Building Partnerships Program, which involves MPs working with organisations in their electorates on various projects.

Principal Paul Erickson said staff and students had welcomed the news of the grant, and that construction of the state-of-the-art facility was now in the planning stages.

“We are hoping that by the end of the year we will have the cafe and it will offer hospitality skills not only for our school but other schools in the Penrith Valley cluster.”

“Nepean Community College has been our partner in the submission and they will also use the centre to run community access programs,” he said.

“We currently have a hospitality training area where students learn hospitality and cafe skills, but it is small, with limited space and facilities. The new centre will allow us to expand the program and help students become work ready.”

NEW CENTRE
The centre will include an outdoor seating area, landscaping works and a cafe kitchen. It will create a simulated cafe environment that allows students to learn about all aspects of the hospitality industry.

Penrith Press 10th May, 2012
Penrith Panthers BMX Club is holding a Free Come and Try Day
Sunday 24 February 2013
9:00 am – 11.00am

Panthers St Marys BMX track, Creek Road St Marys, (Behind Blair Oval, Near Ripples Swimming Pool)

BMX is a fast paced exciting sport.
Riders sprint around a dirt track 300-400 meters long with jumps and turns.

In 2008 BMX made its Olympic debut in Beijing.
Now is a great time to get involved in BMX to experience first hand the speed and excitement.

Penrith Panthers BMX Club is holding a Free Come and Try Day
Sunday 24 February 2013
9:00 am – 11.00am

We have male & female riders from all riding abilities ranging in age from 4 years old to 64 years of age.

BMX offers a great alternative to those sports traditionally offered to school kids, full of excitement and FUN!

(BMX Australia in conjunction with the State Associations and member clubs will be holding a National Sign-On Day in February 2013. Kids and their parents can head down to their local club and see what BMX racing is all about. Clubs will have clinics that the kids can join in for free and learn the basics of BMX racing.)

For attending the day kids will receive a show bag and certificate
PRE REGISTRATION IS REQUIRED

Student Exchange – Memories and Skills for a Lifetime!

Give your child the opportunity to gain international experiences and language skills to kick-start a future career. Along with distinct language benefits, exchange students mature, gain confidence and develop a much more worldly approach upon their return to Australia.

World Education Program Australia (WEP), a not-for-profit student exchange organisation registered with the education departments, is now accepting applications for students to live overseas in 2013/14 as exchange students for a summer, semester or year.

WEP is offering two $3000 scholarships towards semester-long student exchange programs to Argentina and China commencing in 2014.

Find out more!
