The SRC has had a great start to 2013 by welcoming in new members for the year as well as some experienced members staying on and taking on new roles within the SRC. We also look forward to welcoming in year 7 members into the SRC. Nominations for year 7 members will be opened early term 2 once year 7 have had an opportunity to settle in and get to know one another.

Now that we have new members in the SRC we are working towards our first projects for the year and we are excited to announce me will be running the world greatest shave fundraiser again. This will take place during a whole school assembly on Thursday 21st of March. Last year it was a huge hit with over $500 raise for the leukaemia foundation this year we are hoping to even more money with volunteers year 12 students Mitchell Robinson, Jake Murrell and teachers Mr Johnston and Mr stone volunteering to shave their heads in front of everyone at the assembly. To donate please see Ms Bennett or Mrs Raboso or go online and donate through the Kingswood greatest shave team link which is on the Kingswood high facebook page. Donations will also be collected during the assembly of the shave so please give generously and donate to this worthy cause.

On the 22nd students over 16 will be able to participate in the blood drive photos will be shared after this takes place if you are over 16 and would like to donate please see Ms Bennett or MRS Raboso for more information.

The SRC looks forward to organising lots of great activities this year so talk to your SRC members on how you can get involved or if you have any suggestions for the SRC.

From March 4th-6th, 40 year 8 students attended the Cataract Scout Park camp. Students participated in caving, challenge valley, the giant swing, abseiling, rock climbing, waterslide, team rescue and high ropes. Students had an enjoyable experience and learnt valuable lessons in team work, communication and overcoming obstacles. Well done to all students for their positive participation and beautiful manners.
2012 saw the premiere of a school wide film festival competition. Guess what? The festival is back in 2013 bigger and better than ever. The festival runs like a mini version of the famous Sydney film festival known as ‘Tropfest’. Each film must include the festival symbol. This year’s festival symbol is ‘bottle’.

The two 2012 equal winners of the festival can be found on the Kingswood High English You Tube channel here [http://goo.gl/udOpG](http://goo.gl/udOpG). The soundtracks were deleted in order to comply with copyright law; however, you can click the link in the film details to play the music along with each film.

In order to provide the necessary equipment for students at Kingswood High School to engage in film making I have established a pozible crowd fundraising page –[www.pozible.com/kingswood](http://www.pozible.com/kingswood). This page also contains various updates about the fundraising campaign as well as some equipment that we have made as a result of donations.

We have already met the initial target of $250 and have currently raised $1100. The ideal target has always been $2500 and hopefully, with your help, we can get there.

It would be awesome if the parents and community of Kingswood High could get behind this project so that students of today, and into the future, can participate in excellent learning like this project offers.

You can help support this event through either sponsoring through pozible (minimum donation $10) or through clicking ‘like’ and ‘share’ on the pozible link on the KHS facebook page. Every donation helps so please check it out, donate and click ‘like’ and ‘share’.

The festival will premiere at night during second term. Parents and citizens are invited to attend and to celebrate the work and achievements of the students on display.

If you have any questions please call me. On behalf of the students at KHS, thank you for your support.

The Girls Open Cricket team travelled to Boronia park on Friday 11th March to play Glenmore Park in the first round of the state knockout. After captain Ashley Day won the toss Kingswood High selected to bat. A solid opening partnership between Brooke Coleman and Hayley Miles got the side off to a great start. With the loss of 2 wickets Ashley Day and Bridgette Potter took up the attack to the opposition. Bridgette flayed the bowlers to all parts of the ground, including a massive six, top scoring with 33 not out. Ashley Day was all class at the other end, showing why she is one of the most talented young cricketers in NSW. Her cover drive that almost cleared the boundary was the shot of the day. At the end of our innings Ashley was unbeaten on 27 runs, with our total being 2/108 at the end of our overs.

The total proved a few too many for Glenmore Park being dismissed for 40 runs. Karleigh Melville and Ashley Day with 3 wickets each, being the chief destroyers.

Congratulations to all the girls for their efforts and fantastic behaviour.
CLOTHING POOL

If you have any old uniforms that are still in good condition please bring them in as we could always use them in the clothing pool.

A 60-strong squad of Kingswood High students competed at the Werrington Zone swimming carnival on Thursday 7th and Friday 8th March, at Penrith Pools. As team manager I was extremely proud of the efforts of all students who, because of their participation, came away as the champion school after the two days of competition! We won by over 200 points, a margin that big has not been seen in many years. An achievement that all students who participated should be very proud of!

It was also very pleasing to see the support and encouragement our students showed for each other by cheering on their fellow peers when they raced. Our relay teams in particular were impressive, with 10 relay teams making it through to represent Werrington Zone at the Sydney West Carnival.

Well done to all students and a special congratulation to Montana Ojeda (Year 10) who was the 16-Years Age Champion.

Thank you to all the parents who came down and supported our school on the day.

On Wednesday 13th March, 37 students made the early morning trip into the Sydney Aquatic Centre to represent Werrington Zone at the Sydney West Swimming Carnival. All students tried their hardest on the day and were up against some tough competition from the other zones. Well done to all competitors and a special congratulations goes to the following students who qualified to represent Sydney West at the NSWCHS carnival in April: Jarrod Burgess, Gary Donoghue, Josh Paine-Bell, Lachlan Montgomery and Dallas Starr.
