

## How to enrol

### By application

For some courses which are in high demand across the state, you need to fill in an Application form. These courses are clearly marked in the *Course and Career Guide* and on the *Course Information Leaflet*, available from our website, from the college offering the course or by calling 131 870.

**Applications for Semester 1 2009**  
**Open 11 August 2008**  
**Close 31 October 2008**

Application forms are available on our website, or at any TAFE NSW college. You will receive a letter in early January 2009 notifying you of the outcome of your application. *If you miss the application closing date, contact the college as places may still be available.*

### General enrolment

#### **GENERAL ENROLMENT has changed for 2009!**

From 2009, general enrolment will take place at compulsory **Enrolment Information Sessions**. At these sessions, you will be able to receive friendly and helpful enrolment services from TAFE NSW. You will be able to:

- talk to teachers about what you will learn in the course and what the vocational outcomes are
- ask for advice about entry skill levels needed to succeed
- find out about our support services
- discuss and apply for Recognition of your previous learning or experience
- ask any other questions you need to know
- fill in your enrolment form, ENROL and PAY.

Make sure you find out when the **Enrolment Information Session** for your course is to be held. The scheduled dates and times will be published on our website or you can contact the college. Bring along all the documents or evidence you have been asked for, as well as correct payment. *Try not to miss the Enrolment Information Session, but if you do, contact the college as places may still be available.*

**No more enrolment queues!**
