Dear Parents/Caregivers,

Re: 'After School Social Skills' Program (ASSSP)

In 2009, we will be continuing our Social Skills Program outside of school hours, building on the success of last year's program. This year we will be holding a fortnightly 'After School Social Skills' Program on Monday afternoons in Week A.

We hope to offer a comprehensive program that targets the needs and interests of our students; as well as developing their social skills. This will incorporate rewarding students for behavioural and academic improvements on a weekly basis throughout the year.

Our ASSSP will provide the opportunity for students to develop their social skills through: collaboratively playing board games, multiplayer computer games, table tennis, cards, puzzles, listening to music and preparing afternoon tea. All with the support, role models and guidance of a few enthusiastic, volunteer staff.

Date: Week A Mondays in 2009
Venue: Kingswood High School – B7
Time: 2.30 pm – 4.30pm
Cost: \$0
Food: Afternoon Tea will be provided.

As this opportunity is restricted to **invitation only** any student who misbehaves will not be permitted to attend and will travel home as usual.

Should you have any questions or concerns, please contact me at your earliest convenience at school on 4736 1202.

Yours sincerely,

Frances Cassettari
Head Teacher – Special Education

(Please return to Miss Cass prior to attending the first day)

I give permission for my child _____ to participate in the fortnightly 'After School Social Skills' Program (ASSSP) on Monday afternoons (Week As only) provided they have been well behaved at school.

My child will make their way home from school

- Public transport _____
