Year 7 2007 ~ Year Adviser.

The Kingswood High School community would like to congratulate Ms Mireille Chakar on being appointed year adviser for Year 7 2007. Ms Chakar is a Maths teacher and has been a valuable member of the teaching staff since 2000. Her hobbies include most sports, walking, swimming, musicals and reading. Along with teaching Maths, she enjoys spending time with the students out of the classroom environment at school camps and extra curricular activities. She has accepted the invitation to be a year adviser for professional development, to

interact with a group of students on a different level to that of a classroom teacher and to have the opportunity to mentor and guide a group of students through their high school years. She is looking forward to getting to know this group of students and their families on a more personal level. She will be the first contact for students experiencing any kind of difficulty or for parents with some concerns about their child's welfare.

Ms Chakar and Mr Berriman have visited several of our local primary schools and met their current year 6 students.

- 3rd Prize ~ Nicole Dawes (\$20 voucher)

Deputy Principal- Mr Berriman

Mr Berriman has been a science teacher for many years, and has been deputy principal of Kingswood High since 2001.

As well as science, Mr Berriman has a keen interest in most sports, especially rugby union and athletics. He is the Sydney West Secondary Athletics Convenor, and is actively involved in coaching and refereeing rugby union.

Mr Berriman is also interested in the performing arts, and has actively assisted the organisation of the school's talent quests.

As an active member of Rotary, Mr Berriman has been involved in the Youth Exchange program and with several Rotary youth leadership programs. He has been able to place students from Kingswood High into these programs.

Mr Berriman is always happy to discuss matters pertaining to a student's welfare and progress. He does request that parents make an appointment so that he may allocate an appropriate amount of time.

Mr Berriman is a product of public school system, and is committed to its ongoing high performance. He believes that schools exist to enable students to maximise their potential, and to become responsible, contributing members of society. He enjoys working with students, and is looking forward to working with the 2007 Year 7.

SRC Blood Bank Donations

On Wednesday 1st March the SRC organised for more than 20 students donated blood at the Nepean Bloodbank. Every time you give blood

you are **saving up to three lives.**

These students and teachers helped our school move into second place on the Vampire Shield ladder behind Caroline Chisholm.

Becoming a regular blood donor means that you can be a hero to up to 3 different people every time you donate blood. Each donation

you give is separated in to 3 parts - red blood cells, plasma and platelets. These components can be given to 3 different seriously ill people to save their lives or improve their quality of life.

Sport Report

Zone Swimming Carnival. Kingswood High School had another exceptionally good performance at the Werrington Zone swimming carnival. We convincingly won the Champion School point score, as well as the Boys and Girls titles. Our Age Champions were:

1 st	2 nd	3 rd
Olivia Lebreux (12)	Justin Miller (13)	Patric Lebreux (14)
Hannah Pride (13)	Adam Toms (15)	Rebecca Pride (16)
Jamie Schokman (16)	Jessica Hurst (15)	
Michael Hyslop (17+)	Samantha Miller (16)	

Kingswood won 4 of the 12 age group point scores, were 2nd in 6 and 3rd in the other 2. Our impressive performance was predominantly due to our high participation rate and incredible relay performances. Kingswood qualified to represent the Zone in 15 of the 17 relays contested!

Michael Hyslop broke records in the 50m and 100m Freestyle events, as well as going on to record the fastest ever Champion of Champions time. Hannah Pride finished fourth in the Champion of Champions - an exceptional performance considering she is only in Year 7.

A total of 73 students participated and 56 qualified to compete at the Sydney West carnival at Blacktown. Congratulations to all!
